HON. JOHN LANGLEY

May be Republican Candidate for United States Senator—Believes Chances for His Party are Excellent.

QUARRELS AMONG DEMOCRATS HELP REPUBLICANS

Washington, May 24—It is stated on authority that Representative Langley of the Tenth Kentucky District will be a candidate in the Kentucky State primaries for the Republican nomination for United States Senator to succeed Senator Bradley. During the past month he has received communications from many Kentuckians urging that he make the race, and it is understood that he has decided so to do.

Representative Langley has closely watched the Stanley Beckham McCreary fight in its incipient stage and has concluded, it is understood, that the bitterness existing between Stanley and Beckham supporters will result in a breach that will pave the way for another Republican candidate, as did Senator Bradley, to cop the election in a State that was Democratic.

While Senator Bradley has not divulged his future plans, there is a feeling that he does not aspire to succeed himself when his term expires in 1915. It is said that Langley is proceeding with such an implied understanding although if Senator Bradley concludes to get into the contest, he may not go before the primaries.

Primary For Office of Postmaster

Winchester, Ky., May 25—For the first time in the history of Clark County the rule of appointing a postmaster is to be shattered and a primary is held to decide what democrat shall succeed John G. White, postmaster at this place against whom charges have been preferred. Postmaster General Burleson has requested Mr. White's resignation. The primary plan was hit up by the county committee. A number of aspirants have announced. They will be required to put up \$50 each to cover primary expenses with the winning candidate footing the hangover expense, if any. June 28 has been selected on which to hold the primary.

There will doubtless be a large audience to greet him on his arrival.
Bishop Woodcock has been to this city and the members of the congregation and others will enjoy the opportunity to hear him.

BOARD OF DIRECTORS ELECT SECRETARY

W. W. Smoak Chosen Secretary of Hopkins County Commercial Club

BOARD TO MEET MAY 29

Committee Chairman Invited to Meet With Board of Directors to Plan Work For Club

The board of directors of the Hopkins County Commercial Club held a meeting Thursday night at the Hotel Madison and transacted a lot of business. The meeting was presided over by J. T. Alexander and the following directors were present: J. T. Alexander, M. K. Gordon, Otho Fowler, E. G. McLeod, D. H. Kincheloe, W. J. Dulin and W. W. Smoak.

The matter of electing a secretary was taken up and the name of W. W. Smoak was placed in nomination, and he was unanimously elected. Mr. Smoak stated that he was in no wise a candidate for the position, and that it was doubtful if he would have time to give to the work of this important office the attention it needed at this time, but if the board were desirous of having him undertake it he would do so, provided he could get the support of the members.

Abandons Bride Because She Had Seen More Summers Than He

Louisville, Ky., May 25.—Disparity in their ages—not more than three or five years—caused Caspar Illari, 21, to leave his bride of ten days according to Mrs. Illari, formerly Miss Louise Fanelli, a pretty music teacher of the Highlands. Mrs. Illari says she is 28. Relatives of the husband claim she is older.

The couple married ten days ago. They spent three days in Lexington. While there young Illari received word that his mother was ill. He hastened home. With his bride he registered at Hotel Watterson and mysteriously disappeared after telling his wife he was going to his mother's bedside.

Instead, according to Mrs. Illari, he went to consult an attorney. The attorney called her on the telephone and said Caspar had gone back to Italy. "The lawyer told me to be quite and apply for a divorce—that it would come out all right."

Illari turned up yesterday. Asked if he intended to reclaim his bride, he was non-committal. "See my lawyer, he's attending to that." Both bride and groom belong to wealthy families and the affair is attracting considerable attention.

Meeting Of The 40th Annual Convention

At a meeting of the 40th annual convention of the Farmers Institute of Tennessee the following members were incorporated in the address of T. F. Peck, Commissioner of Agriculture.

Policy Of Railroads

"Another substantial friend to the farmer is the railroads. They bring the markets of the world within your reach, transport you and your products cheaper than any agency you can employ and they are active in the development of your section. Their policy is broad and progressive and I am glad to see that the farmers are less inclined to listen to the demagogue politician who is courting popular favor with his senseless tirade of abuse of the 'soulless corporation.' The railroads are spending more money to develop the agriculture of Tennessee than any other organization and should be given the credit they are justly entitled to.

The future of the farmer in Tennessee is promising. If he will take as much interest in himself and his work that is being taken in him, he will succeed. Let us prove we have the capacity to profit by the opportunity while it offers."

Has A New Partner

Letcher Fox, one of the leading members of the Madisonville Bar has taken in for his partner Mr. J. W. Powell, of Sebree. Their offices will be over the Ky. Bank and Trust Co. where Mr. Fox has been located. Mr. Powell has been city attorney of his home town for several years and has been a member of the Webster County Bar for ten years. He comes to our town well recommended and will find a hearty welcome. Mr. Fox is too well known for us to say anything about him. He is one of the coming young men of this part of the state and we predict for this firm a generous part of the legal trade of this county.

Rat-Killing Day To Be Observed

JOHNNY REBS OFF FOR ENCAMPMENT

A Jolly Set Of Old Soldiers Leave Monday For Chattanooga

ALL EXPECTANCY AND HOPE

Not So Bouyant, Perhaps, As In The 60's, But Anxious To Visit Sacred Battle Field

Madisonville's and Hopkins county's contingent to the Confederate Veterans Reunion to be held at Chattanooga this week left on a special train Monday morning with Major Harris in command. A jolly lot of old Confeds they were, and full of anticipations of seeing comrades perhaps they have not seen for nearly a half century. They were as eager to get to the scene of the encampment as they were to join their command in the early '60's. Fewer and fewer each year they become—several comrades who went a year ago have answered the last roll call and have heard "taps" sounded, these must be present in spirit to live over the scenes of the old battle ground made sacred and famous by the deeds of valor displayed there so long ago.

The number attending was much larger than had been anticipated. Only one car had been reserved at Madisonville but it was found that enough were going to occupy two more cars. The L. & N. railroad company, however, made ample provision for the comfort and convenience of those attending. Perhaps 125 persons were in the party by the time the train left Hopkins county, as many were to get on from stations along the line.

Among those who got on here and at Earlington were Major F. B. Harris, J. F. Montgomery, R. O. Kirkwood, Sam Hobgood, J. P. Merrill, G. W. Whitell, Dave Bondurant, H. F. S. Bailey, Judge J. W. Wilson, Jim Williams, Rene Doyle and daughter, Miss Muerwa, Pearl Baker, and wife, J. K. Crowder, John Simmons, R. S. Hall, Charley Ashby, W. D. Fletcher, R. T. Wingo, Zach Arnold, W. A. Simms, W. H. Barton, Lee Long, J. M. Stevens, Dave Whitell, Geo. Shaw, W. M. Brewington, John Richardson, J. L. Miles, George E. Miller, Lawson Miller, W. N. Walker, Judge A. J. Bennett, James B. Slaton, Dick Williams, Wesley Graw, M. Mangrum, John Edwards, Mr. Vannoy, Henry Harris and wife, Jude Vinson and wife, E. R. Barnett and wife, Elmer Jennings, Misses Mollie Whalen, Ellen Whalen, Lella Vaughn, Mrs. J. D. O'Bryan, Mrs. J. E. Cloren, Miss Frances Campbell, Miss Mezzie McMurray and Jack Howell.

W. N. Todd Has Plant Bed Destroyed

W. N. Todd, a farmer living in the Leach school district, had his plant bed destroyed one night last week. After the rain the bed was visited to get plants and it was found that not only were the tobacco plants destroyed but that some cabbage plants were also dug up. Only one bed was visited, there being another not found evidently because there was no canvas over it. This would seem to indicate that it was done by some one not familiar with the farm of Mr. Todd. The track of only one person was found around the bed, though it had rained since the bed was scraped.

McGarry-Russell

One of the prettiest home weddings was that of Miss Jimmie McGarry to Mr. Jeff Russell, at the home of the bride's father, W. L. McGarry, Thursday, May 22, by Rev. E. B. Osburn, pastor of the Richland church, of which both are members. The bride is one of the loveliest and lovable girls of Richland country. The groom is a sober, industrious gentleman and holds the responsible position of weigh master for the Crabtree Coal Co., of Illsley. They left Sunday for Illsley where they will make their home.

The crowd was the largest and most fashionable ever seen at a pupils' recital. Quite a number from Earlington attended and took part.

America's Greatest Woman Interpreter of Literature to Appear on Chautauqua Program Here

MRS. ISABEL GARGHILL BEECHER.

Mrs. ISABEL GARGHILL BEECHER, who will appear on the Chautauqua program here in interpretative readings, is America's greatest woman interpreter. Nothing in commendation of her work could be better than the following from some of the world's most famous people. The late United States Senator Dilliver said this: "Mrs. Beecher has done more to give life to the art of public reading than any of our present day elocutionists. Her art has charm and a fascination beyond the genius of either the platform or the stage today." John Temple Graves has said, "She is without a superior and scarcely an equal among the brilliant group of American men and women who interpret the world's great writers." In speaking of Mrs. Beecher's work Dr. Charles F. Aked, pastor of the Fifth Avenue Baptist church, New York, made this comment: "I have heard nothing so perfect as your reading on either side of the Atlantic. You have before you a great career and an international reputation. You have genius, and genius of the highest order. It is impossible not to envy you the mastery of so divine an art."

Cordial Invitation to Become Real Members of the Redpath Family

We have chosen this community as the center for one of our chautauquas because we have faith in the enterprise, enthusiasm, and genuine chautauqua spirit of your citizens. We believe that the program we are offering this season eclipses any seven-day chautauqua program ever presented and likewise we have confidence in the ability of the people of this section to appreciate good things.

But not only do we invite you to attend, but to become real members of the big Redpath family, both by fellowship with your friends at the chautauqua grounds, and by making the acquaintance of the management, the superintendents, and of the live young college men who comprise the tent crews. Cordially yours,

HARRY P. HARRISON.

Pres. and Gen. Mgr. Redpath Chautauquas.

SECRETARY OF STATE BRYAN AT A REDPATH CHAUTAUQUA

THE accompanying photograph shows Hon. William Jennings Bryan, secretary of state in President Wilson's cabinet, at a Redpath Chautauqua, the typical Redpath tent being seen in the background. Mr. Bryan spoke at twenty-six Redpath Chautauquas last year. In fact, the Chautauqua movement has no more loyal friend and supporter than he.

How to Remove Mildew.

To remove mildew from linen take some yellow soap and rub it well into the linen, then scrape some chalk very fine and rub that in also. Lay the linen on the grass and as it dries wet it again and again until the mildew disappears. Another way is to mix soft soap and powdered starch with half the quantity of salt and the juice of a lemon. Apply the mixture with a brush and lay the linen out on the grass for a few frosty nights until the stain disappears.

Wonderful Skin Salve

Bucklin's Arnica Salve is known everywhere as the best remedy made for all diseases of the skin, and also for burns, bruises and boils. Reduces inflammation and is soothing and healing. J. T. Sossaman, publisher of News, of Cornwell, N. C., writes that one box helped his serious skin ailment after other remedies failed. Only 25c. Recommended by All Dealers.

Practical Ventilating Hint.

The house should be ventilated in winter as well as in summer if the family is to be kept in good health. Bedrooms, especially, should be provided with a free circulation of fresh air. One way to get fresh air in a bedroom without having a draft is to tack strips of cheesecloth across the top and the bottom of the window so that when it is opened in both places the fresh air will enter the room and yet, should there be a strong wind, its force will be broken by the cloth.

Lame back is usually caused by rheumatism of the muscles of the back, for which you will find nothing better than Chamberlain's Liniment. For sale by All Dealers.

Heaviest Tax.

Economy Due to Science.

When sugar was made from beets it took about twenty tons of beets to produce one ton of sugar; now it requires but six tons, due to scientific breeding of the beets.

For any itches of the skin, for skin rashes, chaps, pimples, etc., try Doan's Ointment 25c at all drug stores.

Free Country.

This is such a free country that everyone has a right to disbelieve what any prominent scientist says.—St. Louis Globe-Democrat.

"I suffered habitually from constipation. Doan's Regulax relieved and strengthened the bowels so that they have been regular ever since."—E. Davis, Grocer, Sulphur, S. Texas.

Her Infinite Variety.

As we sit down and ponder over the summer courtship we find the hand that wielded the canoe paddle now wields the broom. The suppers on river banks are now in a small dining room. The gazing at the sky in summer time is now looking to see if the wash can safely be put out. The hand in the wash tub is the hand that that trailed over the canoe side. The soft voice in quiet lanes is now—Don't you think it's a cruel world?—Kirkwood Courier.

Satisfaction in Life.

I would have nobody to control me; I would be absolute; and who but I? Now, he that is absolute can do what he likes; he that can do what he likes can take his pleasure; he that can take his pleasure can be content; and he that can be content has no more to desire. So the matter's over; and come what will come, I am satisfied.—Cervantes.

Galsworthy Aphorisms.

Nothing that's true is cynical, and nothing that is cynical is true.

The word "smart" is the guardian angel of all fashions, and fashions are the guardian angels of vulgarity.—"For Love of Beasts," by John Galsworthy.

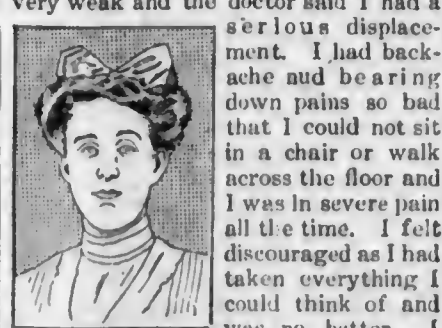

More "Breeches" Dig.

A "Breeches" Bible, dated 1601, was recently bequeathed by Dr. William P. C. Black of Dublin to his brother, the Rev. Gibson J. H. M. Black. This is the translation in which Adam and Eve are described as making themselves "breeches" of figleaves. The authorized version uses the word "aprons."

WOMAN COULD NOT WALK

She Was So Ill—Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Pentwater, Mich.—"A year ago I was very weak and the doctor said I had a serious displacement. I had backache and bearing down pains so bad that I could not sit in a chair or walk across the floor and I was in severe pain all the time. I felt discouraged as I had taken everything I could think of and was no better. I began taking Lydia E. Pinkham's Vegetable Compound and now I am strong and healthy."—Mrs. ALICE DARLING, R.F.D. No. 2, Box 77, Pentwater, Mich.

Read What Another Woman says: Peoria, Ill.—"I had such backaches that I could hardly stand on my feet. I would feel like crying out lots of times, and had such a heavy feeling in my right side. I had such terrible dull headaches every day and they would make me feel so drowsy and sleepy all the time, yet I could not sleep at night."

"After I had taken Lydia E. Pinkham's Vegetable Compound a week I began to improve. My backache was less and that heavy feeling in my side went away. I continued to take the Compound and am cured."

"You may publish this if you wish."—Miss CLARA L. GAUWITZ, R.R. No. 4, Box 62, Peoria, Ill.

Such letters prove the value of Lydia E. Pinkham's Vegetable Compound for women's ills. Why don't you try it?

Stevenson's Criticism.

Robert Louis Stevenson once went to hear Charles Halle play the piano at the Queen's hall. After the performance Stevenson, in his black shirt, walked in silence out Regent street to Oxford circus. He stopped at Oxford circus and, in a slow meditative voice, pronounced the excellent criticism on the English musician he had heard: "The manner of the elderly statesman at the piano was somewhat austere and chilling."

Invited to Dine.

His Wife (at the other end)—"Well, if you've already asked Mr. Law to dine with us, I suppose I'll manage somehow, but you know I don't like him." He (at this end)—"She says everything's all right, and she'll be tickled to death to see you."—Brown's Magazine.

Here's the Chance.

You can make yourself rich by cashing in your experiences at half what they cost you.

Disputed Door.

A curious suit is reported from Avignon, France. It is brought by an antiquary to obtain possession of the door of the city of Avignon, which he had bought. Possession was refused on a prior contract with another party, but this contention was discovered. At this stage it was discovered that an old agreement existed prohibiting the demolition of any part of the property. This agreement is now being contested, and it is anticipated that the sale to the antiquary will be confirmed.

"The Greatest Kidney Remedy On Earth" Says A Grateful Woman

I want to tell you how much good your Swamp-Root did me. About four years ago, I suffered from what the doctors called fistula and for two years of that time, I endured what no tongue can tell. I also had inflammation of the bladder and I tried doctors medicines without receiving any help. Someone told me about Dr. Kilmer's Swamp-Root. After giving it a thorough trial, I received relief, so kept on using it and to-day I am a strong and well woman. If I ever feel badly or out of sorts, I take Swamp-Root and it always straightens me out. I honestly believe that this medicine would cure all troubles you recommend it for and it is a pleasure for me to send my testimony and photograph to you. I think Dr. Kilmer's Swamp Root is one of the greatest medicines on earth.
Respectfully yours,
Mrs. John Bally,

Asbestos.

Asbestos is a mineral of a fine fibrous character, the fibers being easily separated, elastic, flexible, and of a whitish-gray color. It is composed chiefly of silica, lime, magnesia, and oxide of iron. The ancients converted it into a kind of cloth, in which they wrapped the bodies of their dead, while preparing them for the funeral pile; the cloth being indestructible by fire, enabled them to preserve the ashes. Asbestos is found more abundantly in Corsica than in any other locality.

"Lum" Wootin, of Madisonville is doing the brick work.

The following Sunday schools have begun arrangements to hold their Sunday school at Grapevine on the fifth Sunday in June: Morton Gap, Earlington, St. Charles, Carbondale and Bethlehem. It is assumed that every school of the Christian church will do likewise and help to make the attendance One Thousand.

What is designed to be the largest assemblage of the disciples of Christ ever held in this county, or perhaps in this part of the state will be at historic old Grapevine on the fifth Lord's day in June. It is to be "home coming" for all the old members of that congregation and as there are several hundred in this and adjoining counties, it is confidently expected that there will be one thousand to participate in the Lord's Supper at two o'clock on that day. The oldest member in point of years and the oldest in point of membership are to be guests of honor. We wonder who that is! Do you know?

The biggest Sunday School ever held in Hopkins County will be at Grapevine on the fifth Sunday in June. This will be the annual County Convention and as it is expected that every school in the county will make that take the place of the usual picnic. There will be more than one thousand in the school at ten o'clock.

Making All Happy.

"What I deem an appropriate present is a book, and that I must choose for myself," writes a correspondent of the London Chronicle. "To leave the selection to friends would be a catastrophe. Every year, therefore, on behalf of those generously minded individuals who have kindly thoughts toward me, I buy books for myself, tell them, and get the money refunded. And in the measure of monetary value they remember me, I likewise remember them—in any article of their own choosing. And we are all happy."

TO THROW STONES AS COURT SENTENCE

Throwing Class Is Organized By Judge, Who Will Make Boys Exercise Until Tired

Malden, Mass., May 24.—Judge Bruce of the local court has adopted the Mikado's system of making the punishment fit the crime. The Judge has organized a class in stone throwing, and on July 3rd it is expected that as many as twenty-five boys will be collected in a large field which the Judge is to hire, and there, under the eye of Probation Officer Kilton, they will be made to throw stones for an hour, or says the Judge "until they get their fill," thus receiving punishment fitting the crime and furnishing amusement to the crowd which will undoubtedly gather.

James Barnett, seventeen and Leo Halligan, sixteen, of Revere, were the culprits who brought upon themselves this poetic justice. They were brought into court by Chief Hill of that town for stone-throwing. Judge Bruce looked them over and pronounced sentence.

Why Leave Kentucky?

The average Mississippi farmer buys canned and dried fruit—like-wise other canned and dried goods. He gets up at the alarm of a Connecticut clock, fastens his Chicago suspenders to his Detroit overalls, washes his face with soap in a Pennsylvania washpan, sits down to a Grand Rapids table and eats Indiana hominy fried in St. Joseph lard on a St. Louis stove. He puts a St. Louis bride on a Tennessee mule and plows a farm covered by an Ohio mortgage. When bedtime comes, he reads a Bible printed in Chicago, says a prayer written in Jerusalem, and crawls under a blanket made in New Jersey, only to be kept awake by a Mississippi dog—which is about the only homesteaded product on the place."

A Texas Wonder

If not sold by your druggists will be sent by mail on receipt of \$1.00. One small bottle is two months treatment and seldom fails to perfect a cure. Send for testimonials from Kentucky and other States. Dr. E. W. Hall, 2926 Olive St., St. Louis, Mo. Sold by druggists.

Pleasure and Protection

"One of the best reasons why I would not be without telephone service," writes a Georgia farmer, "is the pleasure it gives my wife and the knowledge that while I am away, she has the protection that the telephone gives."

On the farm the telephone dispels loneliness and is the means of bringing help in any emergency that may arise.

MRS. WM. ARCHER

Tells Mothers What To Do For Delicate Children.

"My fourteen-year-old daughter was very thin and delicate. She had a bad cough so that I became very much alarmed about her health. She was nervous and did not sleep well, had very little appetite and doctors did not help her. Having heard so much about Vinol, I decided to give it a trial. It has helped her wonderfully. She can sleep all night now without coughing once; in fact, her cough is gone. Her appetite is greatly improved and she has gained in weight. Vinol is a wonderful medicine, and I will always keep it in the house. I wish every mother knew what Vinol will do for delicate children." Mrs. Wm. Archer, 223 Broadway, Long Branch, N. J.

This delicious cod liver and iron preparation without oil is a wonderful body-builder and strength-creator for both young and old. We promise to give back your money in every such case where Vinol does not benefit. This shows our faith in Vinol.

MODERN WITCH BEATEN BY IGNORANT MEXICAN

Son And Two Men Believed She Has Caused Paralysis Of Old Woman

Hillsboro, N. M. May 22.—Modern witchery as practiced among some old women of the Spanish race in New and Old Mexico is responsible for indictments being returned by a United States grand jury here against Mariano Trujillo, Eduardo Chaves and Francisco Montoya, who are charged with attempting to kill Romalda Sedillo de Chavez, a woman said to possess powers of secrecy.

This woman exercised her powers over the mother of Montoya, who believed she was possessed of evil spirits. The treatment resulted in Mrs. Montoya's loss of health and paralysis that rendered her helpless.

Her son and the other two men are charged with attacking the "witch" on a ranch fourteen miles from Monticello. They are said to have fired several shots at her and then to have dragged her out and given her an unmerciful beating.

Rev. Abblitt Honored

At the 58th annual council of the Episcopal diocese of Kentucky, which adjourned yesterday, Rev. George C. Abblitt, rector of Grace church, this city, was chosen one of the four clerical delegates from Kentucky to the triennial council in New York.

Rev. Abblitt is well known in this city and preaches here twice a month at the reading room.

How Long Has Man Been On The Earth

A would-be prophet has recently foretold the end of man on the earth by a great earthquake. This brings up the question of how long our race has been here. Some say tens of thousands and some even say hundreds of thousands of years. The Bible alone gives the facts, and, as they are of interest to many, we present the evidence.

From Adam's creation to Seth's birth was 130 years, to Enos' birth 106 years, to Canan 90 years, to Mahaleel 70, to Jared 65, to Enoch 162, to Methuselah 65, to Lamech 187, to Noah 182, to the flood 600; total 1656 years. (Genesis 5:3, 6, 9, 12, 15, 18, 21, 25, 38; 7:6)

From the flood to Arphaxad's birth was 2 years, to Salah 35, to Eber 30, to Peleg 34, to Reu 30, to Serug 32, to Nahor 30, to Terah 29, to Terah's death and the covenant with Abraham 205; total 437 years. (Genesis 11:10, 12, 14, 16, 18, 20, 22, 24, 32; 12:1-4)

From the covenant to Isaac's birth 25 years, to the weaning and mockery was 5 years, to the end of affliction in Egypt, 400 years; total accounting of Abraham's posterity amidst unsatisfactory conditions, 430 years. (Genesis 12:4; 21:5, 8, 9; 15:13; Exodus 12:40-42, 51)

From the exodus to appling the land of Canaan was 1 year, to the division of the land 45 years, to the reign of Saul 40 years; total 496 yrs. (Numbers 33:3; 10-11-13; 13:3-26; 32:8-13; Joshua 14, 7, 10; and Paul the Hebrew in Acts 13:19-21)

Saul reigned 40 years, David 40, Solomon 40, Rehoboam 17, Abijah 3, Asa 41, Jehoshaphat 25, Jehoram 8, Ahaziah 6, Jehoiachin 40, Amaziah 29, Uzziah 52, Jotham 16, Ahaz 16, Hezekiah 29, Manasseh 55, Amos 2, Josiah 32, Jehoahaz 11, Zedekiah 11, desolation to the first year of Cyrus 70 years; total 583 years. (Paul the Hebrew in Acts 13:21, 1 Chronicles 29:27; 2 Chronicles 9:30; 12:13; 13:2; 16:13; 20:31; 21:20; 22:2; 22:12; 24:1; 25:1; 26:3; 27:1; 28:1; 29:1; 33:1; 33:21; 34:1; 36:5; 36:11; 36:20-23)

All historians agree that the first year of Cyrus was 536 B. C. and we are now in the year of 1913 of the A. D. period. Adding together the totals of 1656 years, 426, 430, 496, 583, 536 and 1913, we find we are now in year of man on earth 6041. Every available fact of history and nature corroborates the accuracy of these figures.

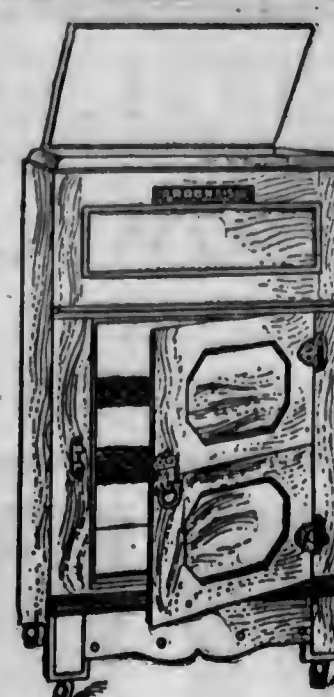

Earth's population now is 1,600,000,000. Assuming that it has doubled every century, then five centuries ago it was 50,000,000. Three centuries ago there were fewer people in the whole Western Hemisphere than there are now in the little state of Massachusetts. The idea that man has been long on the earth is a folderol, unproven and unprovable.—The Wanderling Jew—(C. J. Woodworth.)

Comments of World-Famous Men on the CHAUTAUQUA

Keep in Mind that Our City is to Have a Great Seven-Day Chautauqua Program This Season.

Hon. Theodore Roosevelt, Ex-President of the United States,
says:
"The chautauqua is the most distinctively American thing in this country."

Hon. William Jennings Bryan, Secretary of State,
says:
"The chautauqua affords one of the best opportunities now presented the public speaker for the discussion of questions of interest to the people. The audience is a select one and always composed of the thoughtful element of the community, and as they pay admission they stay to hear. I believe that a considerable part of the progress that is now being made along the line of moral and political reforms is traceable to the influence of the chautauqua."

Dr. Frank W. Gunsaulus, the World's Greatest Preacher and President of Armour Institute of Technology,
says:
"The chautauquas have become a great people's university. They are among the greatest feeders for our colleges and universities. He further states that ten per cent of the students in the institution of which he is president, Armour Institute, owe their presence to the chautauqua influence."

Hon. Champ Clark, Speaker of the National House of Representatives,
says:
"A great many newspaper wits shoot their shafts at chautauqua lecturers, and certain purse-proud editors undertake to make it a sin for a public man to lecture for pay. They think it the height of sarcasm to refer to a public man as a chautauquan. There is one great virtue in chautauqua money. It is clean money. You do not have to explain where you got it. If a man does not desire to go to hear a lecture, there is no law to compel him to do so. * * * The chautauqua has been a powerful force in directing the political thought of the country, which is largely sociological in these latter days. * * * I defend the chautauqua and the chautauqua lecturer, with whom I have been associated, because they constitute as fine a group of men and women as can be found among the splendid citizenship of America. I have a deep and abiding interest in them, and bid them a hearty godspeed in their work."—From The Arena.

ONE OF THE COMING BIG EVENTS IN THIS SECTION OF THE STATE

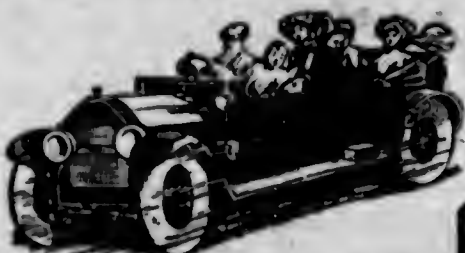

TYPICAL SCENE AT A REDPATH CHAUTAUQUA

The forthcoming Chautauqua which is to be held here will be one of the big events of the season in this section of the state. The above photograph illustrates a typical crowd at one of the Redpath Chautauquas. There are today nearly 1,200 Chautauquas in the United States and Canada. In fact, the Chautauqua has become one of America's great institutions, and the idea has already spread to England and Japan. In 1872 there was a Chautauqua in the world. In 1873 Bishop John H. Vincent and Lewis Miller inaugurated at the spot now Chautauqua, N. Y., the original institution. Today Chautauqua, N. Y., is the summer center for 10,000 people, and land, buildings and equipment represent a cost of millions.

But, although thousands of people go annually to Chautauqua, N. Y., from all parts of the United States, the great mass of American people would never get to a Chautauqua if they had to travel far from home. The recognition of this fact brought about the decision to take Chautauquas to the people everywhere. The movement a few years ago began to spread rapidly. Today there are operated from the Redpath headquarters in Iowa, Kansas City and Chicago nearly 600 Chautauquas. Only the best talent is engaged, as high as \$15,000 having been paid by the Redpath for a single attraction for the Chautauqua season. Every year the number of Chautauquas grows, and there are more requests annually from towns wishing to be Chautauqua centers than can possibly be granted.

Do You Feel Chilly OR Feverish and Ache all Over?

DR. PIERCE'S

Restores activity to the liver and to the circulation—the blood is purified, the digestion and appetite improved and the whole body feels the invigorating force of this extract of native medicinal plants. In consequence, the heart, brain and nerves feel the refreshing influence. For over 40 years this reliable remedy has been sold in liquid form by all medicine dealers. It can now also be obtained in tablet form in \$1.00 and 50c boxes. If your druggist doesn't keep it, send 50 one-cent stamps to R. V. Pierce, M.D. Buffalo.

Strong in Memory.

Rural winter joys increase in an inverse ratio to the square of the distance, or words to that effect. It will be noticed that Whittier did not write "Snow Bound" until after he had become a city-dweller and the memory of frosted nose and ears and tingling hands and feet had become dimmed and vague. A too accurate memory, like acute truthfulness, is a terrible handicap for a real poet, just as it is to an editor.

For the Weak and Nervous

Tired-out, weak, nervous men and women would feel ambitious, energetic, full of life and always have a good appetite, if they would do the sensible thing for health—take Electric Bitters. Nothing better for the stomach, liver or kidneys. Thousands say they owe their lives to this wonderful home remedy. Mrs. O. Rhinevaugh, of Vestal Center, N. Y., says: "I regard Electric Bitters as one of the greatest of gifts. I can never forget what it has done for me." Give a bottle yourself and see what a difference it will make in your health. 50c and \$1.00. Recommended by All Dealers.

No Hurry for That Vehicle

A short-sighted old lady in a hurry to mount a train car held up her umbrella and shouted to the driver of a passing vehicle, "Stop. Stop!" to which the driver replied, "Don't be in a hurry, mum; it ain't your turn yet." It was a hearse.

Piles Cured in 6 to 14 Days

Your druggist will refund money if PAZO OINTMENT fails to cure any case of itching, blind, bleeding or protruding Piles in 6 to 14 days. The first application gives ease and rest. 50c.

Best Medicine for Colds

When a druggist recommends a remedy for colds, throat and lung troubles, you can feel sure that he knows what he is talking about. C. Lower, Druggist of Marion, Ohio, writes of Dr. King's New Discovery: "I know Dr. King's New Discovery is the best throat and lung medicine I sell. I used my wife of a severe bronchial cold after all other remedies failed." It will do the same for you if you are suffering with a cold or any bronchial, throat or lung cough. Keep a bottle on hand all the time for everyone in the family to use. It is a home doctor. Price 50c and \$1.00. Guaranteed by All Dealers.

Happiness.

Those who have the most of happiness think the least about it. But in thinking about and in doing their duty happiness comes—because the heart and mind are occupied with earnest thought that touches at a thousand points the beautiful and sublime realities of the universe.—Thackeray.

Constipation Cured

Dr. King's New Life Pills will relieve constipation promptly and get your bowels in healthy condition again. John Fupple of Sanbury Pa., says: "They are the best pills I ever used, and I advise everyone to use them for constipation, indigestion and liver complaint." Will help you. Price 25c. Recommended by All Dealers.

Crossing the Bridge.

The trouble about crossing the bridge before you come to it is that you will have to cross it just the same when you get there.

"Symptoms."

Occasionally an afflicted lady tells why she left her husband. For the married man, of some introspection and conscience, the feeling produced by the recital is something like the feeling one used to have in reading the patent medicine list of "symptoms." He used to feel that he had 'em and deserved the treatment.

There never was a time when people appreciated the real merits of Chamberlain's Cough Remedy more than now. This is shown by the increase in sales and voluntary testimonials from persons who have been cured by it. If you or your children are troubled with a cough or cold, visit a trial and become acquainted with its good qualities. For sale by All Dealers.

Where "Yiddish" Comes From.

The Hebrews who live in Germany speak the German language, using among themselves a peculiar dialect called "Yiddish," that term being itself a corrupt form of the German word Yudisch. Russian Hebrews also use this language, while by a curious chain of historic events Turkish Hebrews speak Spanish. Printed Yiddish shows an interesting combination of languages, the words being essentially German, but printed in Hebrew characters.—Christian Herald.

A child can't get strong and robust while the intestinal worms eat away its vitality. To give the child a chance to grow those parasites must be destroyed and expelled. Trouble for the Future.

First M. D. (from bedside of wealthy bachelor)—He is sleeping naturally—he will recover. Second M. D.—Yes, the worst is over. First M. D.—No, the worst is yet to come. Second M. D.—How is that? First M. D.—We have yet to break the news to his relatives.—Life.

Slight Mistake.

"I understand you went over to Crimson Gulch and lynched the wrong man?" "No," replied Three-Finger Sam. "You can't lynch the wrong man in Crimson Gulch. We just got Plute Pete a little bit ahead of his turn."

She Knows.

"You never thank a man for giving you a seat in a street car." "Not any more," replied Miss Cayenne. "I used to until I noticed that almost invariably he was going to get out at the next corner anyhow."

BOHUMIR KRYL AND THIRTY OF HIS ARTISTS COMING HERE CHAUTAUQUA WEEK

KRYL AND HIS BAND

Photo made in Orchestra hall, Chicago.

READING feature of Chautauqua Week in this city will be the appearance of Bohumir Kryl and his band. This band will comprise thirty or more artists. Mr. Kryl, in addition to leading the band, will appear in concert solos at each performance.

Bohumir Kryl is today acknowledged to be one of America's five greatest bandmasters, and as a cornet player, according to the Los Angeles Times and other great newspapers, he has no superior in America. Last summer Kryl and his band appeared on all Redpath Chautauquas in Tennessee, Kentucky, Michigan and Indiana. The demand was so vigorous that he should return to these cities that the Redpath would have been un-

grateful indeed had it disregarded the people's requests. Everywhere Kryl Band Day drew big crowds and created great enthusiasm.

This year the band will be augmented by several more players than last year. One of these will be the widely known harpist, Leo Zelenka Lersand, who has toured throughout Germany, Austria, Italy, Denmark and England.

With further reference to Bohumir Kryl, it will be recalled that he laid down the sculptor's chisel after completing the statue of General Lew Wallace at Crawfordsville, Ind., and made music his life work thereafter at the suggestion of Sousa and that he immediately sprang into great prominence.

Riches in Poverty.
How slight a thing is poverty; what riches, nay treasures untold, a man may possess in the midst of it. If he does but seek them aright.—Coleridge

An Expert.
"Does your wife do much fancy work?" "Yes, when I'm late in getting home evenings she fancies all sorts of things."

Good Time Coming.
"Do you know why I whipped you, my son?" "No, but I was going to ask you when I got bigger."

Wife's Privilege.
"That is the wife's privilege," remarked the West Ham Clerk to a man who complained that his wife nagged him.—London Globe.

Now We Know.
Son—"Why do people say 'Dame Gossip'?" Father—"Because they are too polite to leave off the 'e.'"—Le Crabb.

Church Note.
It is not distance from church that makes it hard to go. The further members are apt to be the prompter.—Washington Democrat.
